Sharon Witherspoon*

Perfect for all levels of agility training.

Learn new, fun, positive skills to improve your team-work with your dog.

Sharon Witherspoon, CPDT-KA (Certified Professional Dog Trainer-Knowledge Assessed) has been training dogs for 28 years. During that time, she has become a strong advocate for rewards based training methods. She is certified through the Certification Council for Professional Dog Trainers which is the only accredited certification for dog trainers. She is also a licensed Victoria Stilwell Trainer, as well as a member of the Pet Professional Guild, an international organization which stresses force free training. Sharon does private training sessions and also teaches group classes. Sharon has done agility and freestyle with her dogs, and loves to teach tricks. Through the process of teaching dogs "brain games", Sharon is able to help fearful or anxious dogs become more confident. This is a passion and one eagerly shared with others to help dogs have the most successful life possible.
