DIVISIONS

Competition Division

The Competition Division is the most demanding division for both the dog and handler, jump heights are 8", 12", 16", 20" and 24" and double jumps may be used at the Intern level and double and triple jumps may be used at the Specialist level. This division is also the most demanding in terms of standard course times in each event. **Entry Eligibility** - Any physically capable dog over the age of 15 months may enter the Competition Division.

Select Division

The Select Division is somewhat less demanding than the Competition Division. The jump heights are reduced by 4", standard course time is 15% more than the Competition Division, no double jumps. **Entry Eligibility** - Any physically capable dog over the age of 12 months may enter the Select Division.

Veteran Division

The Veteran Division is for those dogs that have reached 7 years of age, but are still physically capable of doing competitive agility or dogs being handled by anyone 60 years of age or older. The jump heights are the same as the Select Division, standard course time is 20% more than the Competition Division. Veteran Dog Opportunity allows for special circumstances that may allow you to lower the jump height by 4". Please see rules at www.docna.com. No double or triple jumps may be used. **Entry Eligibility** - Any physically capable dog 7 years old or older or any physically capable dog that is handled by a competitor that is 60 years old or older may enter the Veteran Division.

Grand Veteran Division

The Grand Veteran Division is for those dogs that have reached 10 years of age, but are still physically capable of doing competitive agility or any handler 60 years old or older handling a physically capable dog who is 7 years old or older. Competitors/handlers are required to jump their dog at least 4 inches lower than their Select/Veteran jump height. Standard course time is 25% more than the Competition Division. **Entry Eligibility** - Any physically capable dog 10 year old or older or any handler 60 years old or older handling a physically capable dog 7 years old or older may enter the Grand Veteran Division.

Junior Handler Division

The Junior Handler Division is geared towards encouraging younger handlers to be involved in the sport. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Junior Handler Division, no double or triple jumps may be used, and standard course time is 20% more than the Competition Division.

Entry Eligibility - Any physically capable dog handled by a competitor who is between the ages of 7 and 16 years of age may enter the Junior Handler Division.

We generally believe that 7-8 years of age is the optimal age for a handler to start competing, but realize that there are some exceptional kids who are ready to compete earlier than age 7. A parent/guardian who feels strongly that their child is ready to compete may contact DOCNA (info@docna.com) and provide information on age of child, training that their child has done, experience of their child, experience of the child's dog, etc, and DOCNA will review the situation and approve on a case by case basis. Additionally, competitors who are younger than 7, but have titled a dog in another venue may enter this division. Juniors (ages 7 and older) may compete in other divisions at regular jump height and standard course time.

Physically Challenged Dogs

Physically Challenged Dogs mainly includes, but is not limited to, canine amputees and visually or hearing compromised dogs. Our primary concern is for the safety of the dog. We acknowledge that canine health encompasses both the physical and the mental aspects of life. Physically challenged dogs that may otherwise be in good health and that display the desire and ability to safely execute required obstacle performances are welcome to enter and compete. **Entry Eligibility** - *Canine amputees should acquire a letter from their veterinarian stating that the dog is capable of competing in agility and that the dog will not likely suffer any long term affects above and beyond what might be normal for dogs that engage in this sport. The letter should be available on request for view by the judge or trial committee. A judge and/or trial committee reserves the right to excuse/dismiss a dog from competition that appears to be in obvious pain or discomfort and/or to designate that a dog be limited to specific classes and/or be placed under a jump height restriction. The owner of the dog may appeal a judge's/appointee's trial decision to the DOCNA offices for a binding ruling.*

DOCNA supports the desire of these dogs to play in agility and allows these dogs with the opportunity to earn qualifying runs and titles, but placements are not appropriate in this category. Dogs competing at a jump height lower than the official jump height for their size may not achieve a placement over a dog jumping at its regulation jump height.

Physically Challenged Dogs that have visual or hearing challenges but have demonstrated the ability to perform at a higher level by either having competed in another venue or have completed training that establishes the team as safe to compete physically at a higher level are approved to compete in the division for which they are eligible.

Handicapped / Handlers with Disabilities

Dogs On Course in North America, LLC is providing a special designation for disabled/handicapped exhibitors. Such exhibitors will be allowed extra time for qualifying purposes only. There will be a place on the entry form to designate this category. When entering as a disabled/handicapped handler, it is required that you enter all events with this designation. Dogs entered with handlers in this category will still be placed with the dogs jump height. The best time/most points will always place higher. DOCNA trusts that only exhibitors who have documented medical conditions will enter this category. Disabled/handicapped handlers will receive additional time in titling events.

LEVELS

Beginner

The Beginner level is the first experience level in all divisions. Its purpose is to offer a successful experience and a reasonable level of challenge for the beginning dog. It is open to any dog that is at least 12 months old who has not recorded a qualifying round in the Specialist level for that titling event. Dogs may not move up to the Intern level in an event until they have earned a certificate of merit (title) for that event (exception is experience- level grandfathering approval, if applicable).

Intern

The Intern level is the middle experience level in all divisions. Its purpose is to offer challenges that demonstrate dog responsiveness on obstacles and competitor confidence with a variety of handling techniques at a greater rate of speed. The Intern level is open to any dog that has earned a certificate of merit (title) at the Beginner Level for that titling event and is at least 15 months old. Dogs may not move up to the Specialist level in an event until they have earned a certificate of merit (title) for that event (exception is experience- level grandfathering approval, if applicable).

Specialist

The Specialist level is the top experience level in all divisions. Its purpose is to offer ****advanced**** agility challenges that require a variety of handling techniques and demonstrate dog and handler teamwork at the highest rate of speed. The Specialist level is open to any dog that has earned a certificate of merit (title) at the Intern Level for that titling event and is at least 15 months old.

JUMP HEIGHTS

Handlers may always choose to jump their dog higher, but will be placed and have the Standard Course Time (SCT) of the dogs in that higher height. The following heights are not available in DOCNA: Select 24", Veteran 24", Grand Veteran 20" and Jr. Handler 24".

HIGHER: If a handler chooses to have a dog jump higher than his measured/registered jump height the equivalent Competition Jump Height for that new chosen height is used. For example, a dog measured to run 16" in Competition runs 16" in select instead of the usual 12" -- the SCT used will be the SCT for the 20" height. (Measured Competition Division Height + 4") SCT + XX% (Division) = time

LOWER: If a handler chooses to have a dog jump lower than his measured/registered jump height as allowed in Veterans only, the equivalent Competition Jump Height for that chosen height is used. For example, a dog measured to run 16" in Competition runs 8" in Veterans instead of the usual 12" -- the SCT used will be the SCT for a 12" dog. (Measured Competition Division Height – 4") SCT + XX% (Division) = time

EVENTS OFFERED

Traditional Gamblers - Traditional Gamblers is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully for the specified opening period of time. At the end of the point accumulation period, the dog must successfully complete a work away challenge (gamble) at the required distance for level and division, and then stop the clock for time. The handler/dog team must be successful in both parts of this event to qualify.

North America Challenge Event – Championship Qualifier - This is a unique agility run that is scored under the same rules and SCT as Standard Agility with the exception that an off course will be judged as elimination. In order to qualify for the 2018 DOCNA National Championships event, competitors will be required to earn one (1) North America Challenge qualifying round with a maximum of 12 faults (or less) and have competed in a DOCNA Sanctioned Trial during the qualifying period.

For anyone entering the North America Challenge, Dogs that are competing DOCNA Specialist Standard, or in Standard Agility at the Elite Level in NADAC, Masters or Performance III in USDAA, Excellent in AKC, Level 5/C in CPE, etc, must enter the North America Challenge at the Specialist Level. All other competitors should enter at the Intern Level (this includes beginners).

The qualifying period for the 2018 championships is June 1, 2017 to August 1, 2018 (with a possible inclusion of the August 18-19, 2018 FRAT and September 8-9, 2018 DAPPR trials in Colorado). In addition, you must enter 1 DOCNA trial between July 29, 2017 and August 1, 2018.

DOCNA 2018 CHAMPIONSHIPS

The 2018 DOCNA Championships will be held at the Adams County Fairgrounds in Brighton, CO on Sep 13-16th. Thursday September 13 will include setup and warmup runs. We will be offering the usual Standard and Jumpers at all levels, but also a Specialist NAC, Called Last Chance North America Challenge.

If you have attended at least 1 trial and attempted, but failed, to earn an NAC qualifier with your dog, that dog will still be allowed to enter Traditional Gamblers, Strategic Time Gamble, Snakes N Ladders, and Trigrility at the championships (2018 only).

The Standard and Jumpers warmup runs will be open to any dog, whether qualified or not for the championships. The Last Chance NAC (Specialist level) will be open to any dog who has a made previous attempt to qualify for the 2018 championships, with the idea that if the Last Chance run is qualifying, that dog will be eligible to enter the full championships on the weekend.

The person who signs this agreement represents that he/she is authorized to enter into this agreement on behalf of both exhibitor and the owner of entered dog(s). In consideration of acceptance of this entry and for other good and valuable consideration, I (We) further agree as follows:

As used herein "DOCNA" means Dogs On Course in North America, LLC, its owners, rule committee, members, officers, employees, show chairs, show committees and agents. Further, I (we) recognize that there are inherent risks, to both dog and handler, in the sport of dog agility, and I (we) expressly assume all such risks to myself/ourselves and to our dog(s).

Handlers/Competitors/Exhibitors/Owners acknowledge all hazards and I (We) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from and against any and all loss and expense (including, but not limited to, legal fees) by reason of the liability imposed by law or otherwise upon any of the aforementioned parties for damage because of bodily injuries, including, but not limited to, death at any time resulting there from, sustained by any person or persons including myself (ourselves) or on account of damage to property, arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

ASSUMPTION OF RISK, STATEMENT OF RESPONSIBILITY & WAIVER OF LIABILITY

I (We) understand that agility is an activity that is held in the presence of other dogs, their owners/handlers and other spectators and pets. I (We) also understand that the participation of my dog(s) and myself in agility will require physical activity on my part and on the part of my dog(s). I (We) also understand that this activity will involve, among other things, running, jumping, and the use of obstacles, including, but not limited to, tunnels, scaling planks, jumps, and tires which could result in injury to me, to my dog(s), or others. I (We) represent that I am in good health and my dog(s) is in good health and we are both in good and sufficient physical condition, and fully able to participate in the sport of dog agility. I (We) further represent that my dog is friendly and not a hazard to persons or other dogs and has never exhibited aggressive behavior toward people or any other dogs; **that I am participating at my own risk**; and that I will not hold the trial club/group or any committee member, nor DOCNA liable for any loss, liability, claim, injury, illness, expense or other hardship that may arise in connection with my participation and/or my dog's participation in the activity. It is expressly understood and agreed that every dog participating, including, but not limited to, my dog(s) is in the care and custody and control of his owner or handler at all times on the premises. I further agree to assume full responsibility and liability for any and all injury, liability, claim or damage caused in any way by my dog(s) or myself. Any competitor/exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior, may, at the sole and absolute discretion of the Trial/Show/ Committee, be required to leave the show site. In such case, no refund of any fees, costs or expenses paid or incurred will be made, nor will I (We) make any claim therefore.

The club or group or DOCNA will not be responsible for any loss, claim, liability, or damage to any dog competing; or for the possessions of any competitor whether the result was by accident, negligence or any other cause.

Collars with dangling tags, martingale type loops, haltis, gentle leaders, harnesses, and any electronic training devices (including, but not limited to shock, bark, pinch and citronella) will not be allowed in the ring.
