Environmental Notes

GENERAL INFO

This site is located in an industrial area. Outside areas are concrete or asphalt. If your dog has tender feet, boots to protect the feet from the hot sun may be warranted. Giving your dog a chance to become comfortable with boots prior to the show will make your first indoor show in Phoenix easier.

All dogs must be kept on a leash, or in a secured crating area at all times! There are two small potty areas; one on dirt, the other on artificial turf. You are prohibited from pottying your dog on the property of neighboring businesses. Any competitor violating these policies may be excused without benefit of refund if the Trial Committee deems the competitor to be in violation of this requirement.

Do not leave dogs in closed vehicles!! All persons attending this dog show hereby waive any claim for damages against Top Notch Canines LLC, or anyone associated with Top Notch Canines LLC, in the event a motor vehicle must be entered to rescue a dogs from overheating or suffocation due to improper ventilation.

TNC is a non-smoking and alcohol-free facility.

All beverages must be kept in a spill-proof container.

Access to the building: Kennels, coolers, heavy gear bags and chairs should be brought into the building through the side doors before the trial starts, or during course walk thrus and course building. Those doors are then locked while classes are being run. Two doors at the front of the building can be used by humans and dogs to enter/exit the building for potty breaks, etc. Please be aware that if you break the glass in the front doors, you will have to pay for repair or replacement. Please refer to the web site <http://www.topnotchcanines.com/building-layout-for-trials/> for details about the building so you can decide if this is an appropriate venue for your dog.

CRATING AREA

There will be adequate crating space for everyone as long as everyone plans ahead and doesn't use an excessive amount of space. Personal chairs will not be allowed in the crating area. Chairs are welcome in the spectator area. We have allowed for approximately 6 foot wide aisles so dogs will not be in each other's faces when moving to and from the kennel area.

Please plan to stack crates if needed. Only soft-sided kennels may be placed directly on the matting. All wire/metal kennels and X-pens must be placed in the concrete section, or on top of a rug, towel or mat. Limited X-pens will be allowed, but please only for 2 or more dogs. Some crating will be on the concrete, we cannot avoid it. Please plan to bring extra-thick bedding.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Contact Zonies Refund Policy

A partial refund of 75% of fees will be provided for bitches who come into season (with documentation) or for dogs and/or handlers who have medical documentation - of an illness or injury - preventing them from participating after the closing date. All other requests for a refund will be reviewed on a case-by-case basis by the Organizing Committee.

It is the entrant's responsibility to check for errors before submitting entry forms to the club. No entry will be refunded in the event of such errors or cancellations of entries after the closing date (with the exception listed in the statement above).

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

A Dog that Measures Up at Check-In FEO Not Allowed

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old

Dogs may NOT run For Exhibition Only (FEO) at this event.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

BIS Not Allowed

Policy on Bitches in Season

Bitches in Season are NOT allowed at this facility. Please see our refund policy for bitches who come into season after the closing date.

Fix & Continue Will Be Allowed At This Event

The [USDAA Policy Statement on Training in the Ring or "Fix & Continue"](http://usdaa.com/binary/files/20180828FixandContinuePolicy.pdf) has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at <http://usdaa.com/binary/files/20180828FixandContinuePolicy.pdf>

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm which are downloadable from www.usdaa.com/rulesReg.cfm

Masters Challenge Biathlon - Concurrent Titling Scores

The Masters Challenge (MC) & Performance Masters Challenge (PMC) Biathlon tournaments each consists of two classes; Standard and Jumpers. In addition to the combined score of these two classes being scored for tournament qualification purposes, each class will be scored independently in order to determine if title qualification has been earned for the MC and PMC standard and jumpers classes.

See complete biathlon tournament rules and title qualification rules at http://usdaa.com/rulesReg_eBook.cfm.
