### Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

## Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

## Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

## Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

## Check-in & Measuring

### Dog Measurements & Certification

All dogs not jumping 26" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have a permanent USDAA or World Cynosport Dog Registration card or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

### A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

## Time Schedule

### Time Schedule

**Friday:** You may start setting up your spaces after 4 PM. Early check-in will be offered from 4 PM to 5:30 PM (no measuring).

**Saturday and Sunday:** Check in will be from 7:30 - 8:00 on Saturday, 7:45 - 8:00 on Sunday. First dog on the line at 8:30 AM both days.

\*\*\*Always check your confirmation email for any updates or changes to this schedule. General announcements will be made each day prior to the first class.\*\*\*

## General Entry Conditions

### Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

### Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

### Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

## Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

## Class Descriptions

### Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from [www.usdaa.com/rulesReg\\_eBook.cfm](http://www.usdaa.com/rulesReg_eBook.cfm), and any amendments there to, which are downloadable from [www.usdaa.com/rulesReg.cfm](http://www.usdaa.com/rulesReg.cfm), each of which are hereby incorporated by reference.

### Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at [www.usdaa.com/gen\\_formDoc.cfm](http://www.usdaa.com/gen_formDoc.cfm), and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

### Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

### Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at [www.usdaa.com/rulesReg\\_eBook.cfm](http://www.usdaa.com/rulesReg_eBook.cfm) which are downloadable from [www.usdaa.com/rulesReg.cfm](http://www.usdaa.com/rulesReg.cfm)

### Masters Challenge Biathlon

This Biathlon consists of two classes; Masters Challenge Standard and Masters Challenge Jumpers. While these two classes will count as titling runs, they also form the biathlon where scores will be converted to time plus faults. After the two classes, scores will be combined to calculate those dogs in each jump height earning eligibility by posting an overall score in the top 25%. A dog scoring an elimination in either class will be eliminated from Biathlon award contention.

See complete rules at [www.usdaa.com](http://www.usdaa.com).

## Prizes & Awards

### Titling Class & Tournament Awards

## Other Information

### Contact Zonies 25th Anniversary Contact Zonies 25th Anniversary!

Contact Zonies became a club in 1991, and have been putting on USDAA shows for 25 years. There are a few special events to celebrate this milestone:

- **Retro Run.** This is a Grand Prix run from one of the first USDAA shows put on by Contact Zonies. You may run your dog at any height of your choosing and it is open to all levels. This is a non-qualifying run.
- **Strategic Pairs.** Those of you who have been around a while will recognize this totally cool game!!! Essentially, there are two dogs running the course at the same time...one dog does a set of obstacles, after that dog has done their set, the other dog does a set, then the first dog runs the next set and so on. It is a full course, numbered in such a manner that makes sense for this format. It is a LOT of fun and is sure to bring about a lot of laughs and good times. Don't be shy...either enter as a draw or pick your partner! You can run your dog at any height for this one as well and is open to all levels. This is a non-qualifying run.
- **Costume Contest!!** Since Contact Zonies started in 1991, you are invited to wear items of clothing from that decade and showcase your couture.
- **Lunch!** Lunch will be available on Saturday for purchase as a part of the special event. The vendor will be onsite on Saturday only. On Sunday, you will need to bring your own food.
- **Photo Booth!** A place to take a fun photo with your pups will be available for you to memorialize this event.
- **25th Anniversary celebration.** Both rings will be stopped (after Masters Pairs in Ring 1 and after Starters Standard in Ring 2) for a special 25th anniversary celebration ceremony.
